

# Amnesia

Saga

(lyrics by Michael Sadler)

A certain time, a certain face  
In a very unfamiliar place  
Was it really that long ago?  
I don't think so!  
Oh no! Oh no!  
There's only total strangers everywhere I go  
I'm so confused, I think I'm losing it ...  
I live with amnesia  
I live with amnesia  
I live with amnesia  
Dancing with the shadows of my memory  
I live with amnesia  
Dancing with the shadows of my memory  
The future was looking bright  
But now everything's black and white  
Is it true, that I didn't have far to go?  
I don't think so!  
Oh no! Oh no!  
There's so much information that I know I know ...  
I'm so confused, I think I'm losing it
