

# Another Nigga Like Me

SahBabii

You say his dick bigger than mine  
But I bet [?] ain't bigger than mine  
Is he down to ride?  
Bitch, I been on your side like fries  
Look me dead in the eyes as you cry

You'll never fuck another nigga like me (Ohh)  
You'll never fuck another nigga like me (Ohh)  
We had a connection (Yeah)  
Now I'm goin' through depression (Yeah)  
Gotta find my place (Uhh)

I love you, bae, I'm sorry for all the days I turnt up on you (Ohh)

These pussy niggas playin' fake hard  
These lil' bitches say I'm fallin' off (Ohh, yeah)  
These pussy niggas wanna play cards  
Lil' pussy nigga, I declare war (Yeah)  
These lil' bitches for everybody  
These lil' bitches givin' them body  
These lil' niggas ain't catchin' bodies (Ohh)  
I ain't hatin', but your nigga ain't real  
I ain't hatin', but your nigga ain't trill  
I ain't hatin', but your nigga ain't built (Nah), for this life  
These bitches just wanna fuck us up  
These bitches don't wanna see us shine  
Used to beat that pussy from the back  
Eat that pussy from the back  
Used to nut all on your back  
Have the nut drippin' down your crack  
Me and you worth more than sex  
Had dreams we was gon' get married  
Can't lie, I'm still walkin' 'round mad  
You aborted my back  
I wanna fuck you again, wanna love you again  
Yeah, I want another chance

I smoke on this dope and I let out emotions  
[?] like potion, you rub me like lotion  
That pussy is wet, I float in it like oceans  
Do you miss this deep stroke?  
Baby, I love you, I'm goin' out like a scrub, but I don't give no fuck  
I don't give no fuck, I'll kill for my first love  
Bitch, I feel like Bone Thugs, yeah

Just meet me at the cross road (You won't be lonely)  
Just meet me at the cross road (You won't be lonely)

You say his dick bigger than mine  
But I bet [?] ain't bigger than mine  
Is he down to ride?  
Bitch, I been on your side like fries  
Look me dead in the eyes as you cry

You'll never fuck another nigga like me (Ohh)  
You'll never fuck another nigga like me (Ohh)  
Only one chance, can I get another chance please?

I'll get on one knee, yeah

Do you miss me? 'Cause I miss you  
Do you think about me? I think about you  
Used to have memories, what happened to 'em?  
Uh, uhh, uhh

I wanna fuck you again, wanna love you again  
Can I have another chance? Yeah
