Do it for demon (We do it for demon)
I'ma do it for demon (Demon)
Watch when we slide 'cause we did it for demon (Did it for demon)
A lot of bodies just for one reason (Just for one reason)
Just took a demon so here come the reaper
This shit get real nasty just like lovely peaches (Yeah, yeah)
If he tryna slide, stay the fuck on the bleachers (Pussy)
They reachin', we teachin', we slicin' like pizzas (You be pussy)

When we crawl in the night, niggas lookin' like creatures (Creatures)
Inverted crosses, they swore we was evil (Evil)
First niggas that did it, this shit got some meaning
Piped up on that nigga, he was dumb ass was tripping (Strippers)
These niggas malicious, I had to get vicious (Vicious)
Talkin' to bishop about my ambition (Ambition)
We bought some more missiles to build the militia (Pew, pew, pew)
Shoot out they locks, I'm with electricians
We traumatized, our mind twisted (Traumatized)
And I don't think nobody can fix it (Nobody can fix it)
Shoot for they stars and we don't plan on missin'
Burnin' business, we gon' leave his ass crispy
You said no turnin' back and I understood (I understood)
Under the moon, bitch, we turn into wolves (Turn into wolves)
You know that it's up when I put up my hood (Hood, hood)
I can't see you no more, I can't act like it's good (Good, good)
When we was on Sylvan, that shit felt so good (Good, good)
In the Trackhawk, riding 'round in the hood (Hood, hood)
You was the true definition of out of the mud (Out of the mud)
Like I'm bangin' both sets, you my blood and my cuz (You my blood and my cuz
)
Why you ain't listen to me, bro? (Why?)
You know it's all love (You know it's all love)
We used to box in the living room, next time I see you, you'll be gettin' th
e gloves (You'll be gettin' the gloves)

Do it for demon (We do it for demon)
I'ma do it for demon (Demon)
Watch when we slide 'cause we did it for demon (Did it for demon)
A lot of bodies just for one reason (Just for one reason)
Just took a demon so here come the reaper
This shit get real nasty just like lovely peaches (Yeah, yeah)
If he tryna slide, stay the fuck on the bleachers (Pussy)
They reachin', we teachin', we slicin' like pizzas

Like chicken, chicken, off the drugs on a blicky
Hot shit, tryna make it bring scissors
Five shots to the face, we gon' give a nicky (Pah, pah, pah, pah)
Keep that fake love, I don't even want a little
I'ma step on a nigga like I didn't see him (See him)
Cold-hearted, bitch, I know how to treat 'em (Treat 'em)
Them niggas ain't steppers, they tryna mislead you (Yeah)
They no motherfuckin' demons, they tryna deceive you (Deceive)
Bought a opp top and I got the receipt (Receipt)
Niggas on your team tryna slide for me (Me)
I don't play by the rules, but that shit'll be cheating (Cheating)

Better close your mouth 'cause this shit ain't a secret (Secret)
All type of steppers, they been layin' for weeks (Weeks)
How the fuck the strong gettin' killed by the weak? (Weak)
Like I'm washin' clothes, I'm tryna wet up his tee (Tee)
The clip was full, left the scene on E

Do it for demon (We do it for demon)
I'ma do it for demon (Demon)
Watch when we slide 'cause we did it for demon (Did it for demon)
A lot of bodies just for one reason (Just for one reason)
Just took a demon so here come the reaper
This shit get real nasty just like lovely peaches (Yeah, yeah)
If he tryna slide, stay the fuck on the bleachers (Pussy)
They reachin', we teachin', we slicin' like pizzas (Pussy, yeah)
