

We some marsupial, superstars
I want the top, who you fooling yah
I want a bitch with big booty, yah
Ayayayaya ooohwuuu
Bitch screaming like a Indian
I wanna fuck a amphibian
I keep a K like Sicilian
You can't suck dick, you too pretty huh

Diamonds straight out of the freezer
I got more sauce than a pizza
(You ain't gotta be shy girl)
Swag make a bitch toot it up
Making dumb bread cause I'm shitting on em
Getting dumb head, stupid on em
Yellow diamond like who pissed on me
Couple hittas with them dicks on them
She too wet wet, let me fish on it
Break the bed legs, now we on the floor
Put my cinnamon in her apple jacks
I'm vegan throw that apple back
Almost gave me a asthma attack
Baby let me freak you up down, up down, turn around
Baby let me turn you upside, upside down

We some marsupial, superstars
I want the top, who you fooling yah
I want a bitch with big booty yah
Ayayayaya ooohwuuu
Bitch screaming like a Indian
I wanna fuck a amphibian
I keep a K like Sicilian
You can't suck dick, you too pretty huh

Baby girl say she too pretty, red hair bitch Wendy's
I need a Brenda and Cindy, I ain't talking scary movie
I might just bust it no Pinky, titanic diamonds bitch I'm sinking
Things ain't what it seems, I'm twinkling yeah
Real Mr. Clean yeah
She's a vegetarian and she still ate my meat
But you can't get cunnilingus

We some marsupial, superstars
I want the top, who you fooling yah
I want a bitch with big booty yah
Ayayayaya ooohwuuu
Bitch screaming like a Indian
I wanna fuck a amphibian
I keep a K like Sicilian
You can't suck dick, you too pretty huh
