

Step In The Name Of Love

SahBabii

Demon time, nigga
These niggas know how we comin'
Everybody say they real, they gettin' knocked off
Now who the fuck real now?
Yeah, yeah, mm

Had a dream that you died (Died)
I woke up out my sleep, cryin' (Cryin')
I was traumatized like I ain't seen crime (Seen crime)
Fuck the world, bitch, I'm tryna make the streets cry (Streets)
Niggas say they love, but you know the street lie
Long live Demon, boy, I can't believe it (Can't believe it)
Long live Demon, boy, I can't believe it (Can't believe it)
Long live Demon, boy, I can't believe it (Can't believe it)
I can't believe it (I can't believe it)
I swear I'm so stressed, I swear I'm depressed
Bad news, can't receive it (Cannot receive it)
Triple six for life (Life), first niggas to call ourselves demons (Yessir)
I'm the one that had knight you demon (I did)
You just wanted money, I seen it (I seen it, I seen it, I seen it)
Deep down inside, I knew you was an angel (Angel)
We saw life from different angles (Angles)
How much it cost to get you back? I'll pay
You wasn't goin' for shit and niggas was hatin'
You never ran from a nigga, true statements
You was in a box when I had made it
Soon as I got the check from the labels, ten thousand on your bond, you know
that I paid it
You were so grateful (Yeah)
First time you got shot, I rushed down to Grady (Rushed down to Grady)
Hopin' you make it
I had the Drac' if you gave me the say so (Say so)
I was gon' spray it (Spray), I love you for life, nigga, I feel your spirit
(Feel)
You told me, "Keep goin'", I can never unhear it (Ooh)
I can make an ocean with all these tears (Ooh)
Demon child told me, "Live with no fear"

I'ma step in the name of love, you know it
Step in the name of love (For Demon)
I'ma step in the name of love (For Demon)
I'ma step in the name of love, you know it
Step in the name of love (For Demon)
I'ma step in the name of love, you know it (For Demon)
Step in the name of love (For Demon)
I'ma step in the name of love, you know it (For Demon)
Step in the name of love

We was on Sylvan in the living room (Ooh)
Actin' a damn fool (Ooh)
We stuck together 'cause we wasn't that cool (Ooh)
It was so hard tryna fit in at school
No clothes so a nigga got jumped, that shit was so cruel (Shit was so cruel)
It is what it is, had to move on (Move on)
No outfit, we put them two's on (Two's on)
When it came to steppin', you was the first nigga with your shoes on (Shoes)
Glock'd up all your life, that shit was so bogus

Take care of the fam, that was the main focus
We had some goals and we ran into goalies
Watch out for niggas that call you they brody
They say they love but niggas ain't show me
They just around hopin' they get a Rollie
These boys bitch made, I swear they so phony

I'ma step in the name of love, you know it
Step in the name of love (For Demon)
I'ma step in the name of love (For Demon)
I'ma step in the name of love, you know it
Step in the name of love (For Demon)
I'ma step in the name of love, you know it (For Demon)
Step in the name of love (For Demon)
I'ma step in the name of love, you know it (For Demon)
Step in the name of love

Yeah, love, love, love
Yeah, love, yeah, love, love
Love, yeah, love, yeah
I'ma step in the name
I'ma step in the name of love
I'ma step in the name of love
I'ma step in the name of love, you know it
Step in the name of love
I'ma step in the name of love, you know it
Step in the name of love
I'ma step in the name of love, you know it
Step in the name of love
Love, love, love, love, love, love
I'ma step in the name of love
