

Emotion Sickness

Said The Sky

Felt it from the day I saw ya
Is this butterflies or nausea?
I can't tell the difference anymore
Promises and paranoia
Can't remember life before ya
Up is down, the ceiling's on the floor
Kill me slow with every kiss
Consider this my dying wish tonight
I want you to

Wreck my heart and give me stitches
I love the emotion sickness
Oh, oh-oh, oh-oh, oh-oh
You're the cause that cures the symptoms
My unfortunate addiction
Oh, oh-oh, oh-oh, oh-oh

Oh, oh-oh, oh-oh, oh-oh

Love me till you finally hate me
What a beautiful 180
I can't tell the difference anymore
You're building me up and burning me down
Fill me with the taste of regret, ooh
And then you hollow me out
But I still want you to

Wreck my heart and give me stitches
I love the emotion sickness
Oh, oh-oh, oh-oh, oh-oh
You're the cause that cures the symptoms
My unfortunate addiction
Oh, oh-oh, oh-oh, oh-oh

Ooh, ooh-ooh-ooh-ooh-ooh
So kill me with a kiss
That's my dying wish
Ooh, ooh-ooh-ooh-ooh-ooh
So kill me with a kiss
That's my dying wish

Oh-oh, oh-oh, oh-oh, oh-oh
Oh-oh, oh-oh, oh-oh

Ooh, ooh-ooh-ooh-ooh-ooh
So kill me with a kiss
That's my dying wish
Ooh, ooh-ooh-ooh-ooh-ooh
So kill me with a kiss
That's my dying wish

Ooh, ooh-ooh-ooh-ooh-ooh
So kill me with a kiss
That's my dying wish
