

# Gentleman

Said the Whale

I am a lovesick gentleman  
Who pines and pines over the smallest things  
Most of them are truly inconsequential  
They are inconsequential things

So I'll write you the longest letter  
Describing my feelings and all these stupid things  
I'll cross my fingers that your heart melts  
And you look at me and tell me "Darling, where have you been?"

I am an uncool Canadian kid  
Awed and inspired by all the popular guys  
Most of them are truly irresponsible  
They do irresponsible things

But I'm just a heartbroke gentleman  
And gentlemen never seem to get gentle women  
I need a small town girl  
To follow me home and teach me how to be a real man

I am a gentleman  
An oh so gentleman  
A plain jane gentleman  
A hold-the-door-for-you gentleman  
A no good gentleman  
A stupid, boring gentleman  
A dumbstruck gentleman  
A gentle, gentle, gentleman
