

Show Me Everything

Said the Whale

Someone tell me how to live
How to die
What to do with my life

See a light and follow it
All the way to the end
And back again

I've got a lifeline tethered to the land
But I'm at sea

Show me
Show me
Everything

Show me
Show me
Everything

Someone teach the world to heal
How to love
How to laugh at the end

See a light and follow through
To the other side and back again
I've spent a lifetime looking out for more
But I'm free

Show me
Show me
Everything

Show me
Show me
Everything
