

## Bring Me Down Pt.3

Saigon

Yea, y'all know what the verdict is merciless verbalist  
Spitting murderous verses with no preservatives  
I'm glad I could be of some service to you suckers  
Cause lately I've been born to murder you motherfuckers  
In all respect I'm like a tyrannosaurus rex  
The meanest one of them all that don't get along with the rest  
But now that me and homie done put our differences to rest  
Y'all bout to witness 2 of the sickest spitters in the flesh  
On features I'm a hella of a guest why would you ever just settle for less  
It's food for thought pace yourself my album had to delicatess  
Leader of the now school I guess I'm the LONS  
Your not at my level I'm hot as the devil  
And yes niggas is hella impressed "I'm impressed"  
I'm like aggravating a bull only thing could bring me down is gravitational  
pull  
How does the Saigon story end Y'all'll find out soon as the chorus begins

They say I'm a killer, I feel I'm as high as I can be  
And y'all ain't gon' die as high as me  
I can't be no realer  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down  
I can't be no realer  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down

Wanna talk about how I gain is not measurable  
I come from a place where the pain became pleasurable  
Me and success is inseparable  
I put it all on the table so it falling is inevitable  
I won't fold for you niggas  
My rock bottom like a goal for you niggas  
I gave em jewels, but it was more like coal to you niggas  
So nah I ain't the same as your man  
Let's talk when you get a link on that chain of command  
You got a sideline view so what I'm doing don't appear to be hard  
You drag racing against the rear of the car  
Pumping your breaks fish tailing make it difficult to hear these bars  
Nigga your skin couldn't bare these scars  
Getting beside yourself, niggas thinking they the best  
Digging your own grave playing Jenga with tourettes  
Out-matched, out-classed there's nathing you can teach me  
In order to bring me down gotta be able to reach me

They say I'm a killer, I feel I'm as high as I can be  
And y'all ain't gon' die as high as me  
I can't be no realer  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down  
I can't be no realer  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down  
Y'all ain't gon' bring me down

(Nh, Neva!)
