'Cause I'm throwing up, plus my man is drunk

'Cause when I'm down he always hold me down  
It ain't like us to be foldin' up, niggas know what's up  
Catch a second wind  
They don't check us, they just check us in  
Blowin' checks while bitches check us out  
Drop her off and they go check a friend  
Nigga, check her Benz, she's a baller baby  
On Baller Alert, people her crazy  
She be textin' Weezy, she be callin' Baby
