

# The Runaway

Sailor

Don't play that song for me  
'Cause you know that melody only breaks me down  
I was a queen  
Who now wears a broken crown

Don't play that honky-tonk  
'Cause you know that same old song only makes me cry  
Times gone by, our love lit up the sky

Our romance hit the neighbourhood  
Like a hurricane  
Now I'm left with a broken heart  
And a telegram

(Chorus:)

Runaway, and I thought that you were here to stay  
But you broke my heart and ran away  
Runaway  
Runaway, won't you come on back to me one day  
Until then I'll hide my heart away

Don't play that song again  
It hurts to see all my friends on the dancing floor  
There was a time when we had so much more  
We shared that melody  
Now all I have is a memory of a precious time  
It's a crime, our words no longer rhyme

Our romance set the world on fire like a burning flame  
But all that's left is a broken heart  
And a telegram...  
(Repeat chorus)

Runaway, you came and stole the sun away  
All you left me was a rainy day  
Runaway  
Runaway, I hope that you'll come back to me one day  
Until then I'll hide my heart away  
Runaway...  
(Repeat chorus and fade)
