

# Fallen Angel

Saint Deamon

A paradise on Earth, a sanctuary for my heart  
It's a place where I can feel safe  
All these years went by, and all I felt was misery  
Even though I kneel and pray I'll never heal

Torture and suffering is all that I know  
The anguish inside of me is burning out  
My worst enemy is the feeling of hate  
The chaos of cause and effect is the end of me

Spread your wings, fallen angel,  
This is your time to be free again  
Come with me fallen angel, I'll lead the way

So hard to stand here beside, solitude in me won't hide  
There's a judgment hanging over me  
Somehow I cannot give in, you are the only one I need  
Can you help me find another way?

Torture and suffering is all that I know  
The anguish inside of me is burning out  
My worst enemy is the feeling of hate  
The chaos of cause and effect is the end of me

Spread your wings, fallen angel,  
This is your time to be free again  
Come with me fallen angel, I'll lead the way

Spread your wings, fallen angel,  
This is your time to be free again  
Come with me fallen angel, I'll lead the way
