

# A Good Thing

Saint Etienne

Take a message, let me know  
Put on her shoes before she goes  
Hazel eyes and auburn hair  
How could she tell it's all for nothing?

Far away from what you want  
Another night to spend alone  
And now you really know  
It's gone, it's gone, it's gone

You know it was a good thing  
The best thing  
Last thing you should have left behind  
Out of nowhere  
Out there  
Looking all the way back  
It's a good thing  
The best thing  
Last thing you should have left behind  
Out of nowhere  
Out there  
It's gone, it's gone, it's gone, it's gone, it's gone

A small cafe across the street  
I heard you meet there every week  
Got your favorite necklace on  
How could you tell it's all for nothing?

Pack your bags and move along  
Before your feelings get too strong  
'Cos I can tell you now  
It's gone, it's gone, it's gone

[chorus]

[spoken]

He looked away, pretending not to see her  
She tried to say something, but nothing came out right  
He's lost the best thing  
One day it'll hit him  
One day...

It's gone, it's gone, it's gone, it's gone...

[chorus to fade]
