

California Snow Story

Saint Etienne

We've even had to change our name now, to "revival".
Sing with a sound so soft you sang for me(?).
Sing so slowly, sing so softly.
Pull back the blinds, catch the falling snow.
Twenty-first of june; it's christmas in my soul.
Ooh...
Slowly, softly, softly, slowly, softly, slowly,
softly, slowly...
I think I'll just let the music play...
