

# Down Town

Saint Etienne

When you're alone and life is making you lonely  
You can always go, down town  
When you've got worries all the noise and the hurries  
Seems the help I know, down town

Just listen to the music after traffic in the city  
Linger round the sidewalk were the neonsigns are pretty  
How can you lose

The lights are much brighter there  
You can forget all your troubles, forget all your cares  
And go, down town  
Things will be great when you're, down town  
No final place for sure, down town  
Everything's waiting for you, down town

Don't hang around and let your problems surround you  
There are movieshows, down town  
Maybe you know some little places to go to where they never close  
Down town

Just listen to the rhythm of the gentle bossanova  
You'll be dancing with him soon

Before the night is over, happy again

The lights are much brighter there  
You can forget all your troubles, forget all your cares  
And go, down town  
Where all the lights are bright, down town  
Waiting for you tonight, down town  
You're gonna be all right now, down town

Down town

And you may find somebody kind to help you [?] understanding  
Someone who is just like you and needs a gentle hand  
To guide them [?] along

So maybe I'll see you there  
We can forget all our troubles, forget all our cares  
And go, down town  
Things will be great when you're, down town  
Don't wait a minute for, down town  
Everything's waiting for you, down town

Down town, down town  
Down town, down town
