

# Please

Saint Etienne

Please, please tell me  
You'll always feel this way  
Please be the one  
Forever and a day

Please, oh, please  
Just say it's you and me  
Forever

Please, please tell me  
It's heaven when we kiss  
Please be the one  
Your kisses I will miss

Here in your arms  
Holding me oh so tight  
I pray to the stars  
That twinkle above tonight
