

# Between The Lines

## Saint Levant

(Yeah-yeah)

I said we ain't even speak but she talkin' with her eyes  
Thick brown hair, we don't talk about her thighs  
Looking up and down, got her eyes on the prize  
And I saw she got a man but I read between the lines  
We ain't even speak but she talkin' with her eyes  
Thick brown hair, we don't talk about her thighs  
Looking up and down, got her eyes on the prize  
And I saw she got a man but I read between the lines

I was looking at you looking at me, baby (uh)  
Sur son corps, c'est que du Fendi, baby (uh)  
(uh) 𠂇 𠂇 𠂇 𠂇 𠂇 𠂇  
𠂇 , 𠂇 𠂇 𠂇 𠂇 𠂇 𠂇  
You'll never find another Arab that's better than me  
I know you wanna be a part of the family tree  
But when your legs up on my shoulders it's harder to speak  
But keep talking to me, 𠂇 𠂇 𠂇  
She said, "I been all over, hopping out of these Range Rovers  
I'm barely sober, I feel lonely I'm so over  
The people that I'm hanging out with, they're not cultured"  
She grew up in the East, now she's here so we toast  
To the fact that she made it this far, it's not easy  
She said that I look familiar and she's seen me  
All over her FYP, that might be me  
Believe me, I tell her 𠂇 𠂇 𠂇

We ain't even speak but she talkin' with her eyes  
Thick brown hair, we don't talk about her thighs  
Looking up and down, got her eyes on the prize  
And I saw she got a man but I read between the lines  
We ain't even speak but she talkin' with her eyes  
Thick brown hair, we don't talk about her thighs  
Looking up and down, got her eyes on the prize  
And I saw she got a man but I read between the lines

It's been too many days  
I know I been away  
I've been around the world and back on my own  
But you know I'm getting paid  
It's been too many days (It's been too many days)  
I know I been away (I know I been away)  
I've been around the world and back on my own  
But you know I'm getting paid (But you know I'm getting paid)

Baby, don't you worry  
I'll be there for you  
When you really need me

Baby, don't you worry  
I don't think you really need me
