Saint Levant

Mama I'm sorry I didn't believe you when you told me that you were proud of me

But now I believe it cause I see vision and I hear Kanafani calling me  
Arabet at5araj oo s7abi glal, but the real ones always right beside of me  
Said I got a mission to fight for my people at home and provide for the family

I wanna get rich and I wanna get famous but not for the reason you think  
I wanna be able to cover tuitions without even having to blink  
I wanna be able to go to a family in Gaza and tell em it's over we made it then do it Again And again and again and again and again and again

Desert Rose I bleed to make you mine  
Make you mine  
Make you mine  
Desert Rose I'd die to keep you alive  
Keep you alive  
Keep you alive

I dream of rain  
I dream of gardens in the desert sand  
I wake in vain  
I dream of love as time runs through my hand

They tell me no so I do it again  
Hundreds and fifties and twenties and tens  
I don't want mama to pay for her rent

Roaming the streets wearing green you intimidate women and children but call it defense

Promise my Sido that I'm coming back to the village he left back in 48  
Promise my Sido I'll fight to the grave and I'm buying back all of the stolen estate
