

I spent too many nights in exile  
Too many nights I spent them waiting  
On you baby

I spent too many nights in pain  
Now I'm dancing with the rain  
Cuz one day they'll know my name

Ma3aki, hayati, balageel 5eir  
Baby ana ma3aki, anani, ma bidi gheir  
Law la2eiti badali  
7adalni 3ashi2 hal 3einein  
Inti 7ob 7ayati  
W balaki ana ra7il wein

Too many nights, too many days  
Too many memories that I made  
Away from the place I belong

And if I lied to you I'm sorry  
But your love is all I need  
Even though it was all me  
That made the choice to leave

Habibi zad il loom w illt il noom wana bidoonik  
7ata ba3d il mot yifdali ilshoq min noor 3yoonik

So tell me where did the time go  
Do you ever think of me?  
Tell me lies, tell me lies, it's ok  
I need it  
And I'm coming back to you

I spent too many nights in exile  
Too many nights I spent them waiting  
On you baby

I spent too many nights in pain  
Now I'm dancing with the rain  
Cuz one day they'll know my name  
Lalalai lalalai lalalai laila

Ma3aki, hayati, balageel 5eir  
Baby ana ma3aki, anani, ma bidi gheir  
Law la2eiti badali  
7adalni 3ashi2 hal 3einein  
Inti 7ob 7ayati  
W balaki  
Ana ra7il wein
