Never tell a secret on the phone
Gamal Abdel Nasser on my throne
Saint Levant I'm in the zone
2048 we going home
But I never tell a secret on the phone
Gamal Abdel Nasser on my throne
Saint Levant I'm in the zone
2048 we going home
But I never tell a secret on the phone

Hopped out of my spaceship
Port Said the location

BMW the basics
New Cairo, new wave
Sauvignon on my grave
Saint Laurent on my frame
Shah Massoud when I aim

Gamal Abdel Nasser on my throne
Saint Levant, I'm in the zone
2048 we going home
But I never tell a secret on the phone
Gamal Abdel Nasser on my throne
Saint Levant I'm in the zone
2048 we going home
But I never tell a secret on the phone
