

I'm busy and you hate it
Mind is on my payment
You've been just so patient
Tu comprends ma lifestyle
Et tu sais notre sex est trop wild
This why you're my favorite
□□□□□□ □□□□ □□
□□□□□□□□ □□□□□□□□
I know you've been

You've been so fed up
That I've been too consumed
Said I'll be there soon (Soon, ooh)
Anxious for your love
Boy, remove your shoes
I'll take care of you, you

I won't stop
Give you all I got
I ain't love a lot
But you're my best shot
You're my soft spot
Key to my lock
Till it's 3 o'clock
Make my bed rock
You deserve it
I'm all yours tonight, baby
N-A-S-T-Y with it
N-A-S-T-Y with it
Ouh I need it

N-A-S-T-why'd you do this to me?
me at looking re'you when □□□□ □□□□ □□□□
There's so much tension in the air
That I'm starting to think
Qu'il n'y a pas que moi qui pense à toi, before going to sleep
Hit me up, hit me up, □□ □□□□□
Hit me up, hit me up, □□□ □□□□□
C'est même pas 7 heures du matin ma chérie
Tu vas réveiller les voisins
C'est fini ok

I've been a fan of you since I met you
It's 2 AM my love
I know those eyes, don't lie
Stop looking at me while I'm driving
T'as mis ma main sur ton cou and you like it
'Cause you're N-A-S-T-Y

I won't stop (Ah)
Give you all I got (Got)
I ain't love a lot (Yeah)
But you're my best shot
You're my soft spot
Key to my lock (Yeah)
Till it's 3 o'clock
Make my bed rock

You deserve it
I'm all yours tonight, baby
N-A-S-T-Y with it
N-A-S-T-Y with it
Ouh I need it

I can't get enough
Your touch is my drugs
I can't get enough
Way you ride for me
I think that you could be the one
This is more than love
I can't get enough
We are all we need
And that's on us

I won't stop
Give you all I got
I ain't love a lot
But you're my best shot
You're my soft spot
Key to my lock
Till it's 3 o'clock
Make my bed rock
You deserve it (N-A-S-T-Y)
My baby (N-A-S-T-Y)
Ride with it (N-A-S-T-Y)
Ride with me (N-A-S-T-Y)
Ouh I need it
