One more time
For the people li fahmeen a7san mini

I said one more time

Drop it like that
Hop in like that
I've been had the fortune of living it like that
Drop it like that
Hop in like that

But I feel yout stories testing me
It's been lowkey streessing me yeah yeah

I said one more time
For the people li fahmeen a7san mini
One more time
Yallah dalko 3eeshoo 7ayatkom keda
One more time
For the people li fahmeen a7san mini
One more time
I said one more time (I said one more time)

I said one more time
For the people li fahmeen a7san mini
One more time
Yallah dalko 3eeshoo 7ayatkom keda
One more time
For the people li fahmeen a7san mini
One more time (One more time)
I said one more time (Yeah yeah)
