

Snake Charmer

Saint Motel

Stupefy, fascinate
Feeling good with a guilty face
Tear it up, pass along
Getting down gotta bang that gong

Saying you got a hold on me, you always have
You got a hold on me, I understand it's

Creeping up, grabbing on
Taking tolls to the great beyond
Sacrifice, holy grail
Shangri-La fighting tooth and nail

Saying, I got a thing for you, what can I do?
Yeah, I got a thing for you

I light up like a sparkler
Feel it getting warmer
Hear the snake charmer
It's irresistible, yeah

Ooh, I feel alive
Ooh, just one more moment
Ooh, it's irresistible

Vagabond, roll through town
Magic man selling hand-me-downs
Babylon, western world
Hear me now, seeming unconcerned

That you're no good for me, so they say
You're pure ecstasy

I light up like a sparkler
Feel it getting warmer
Hear the snake charmer
It's irresistible, yeah

Ooh, I feel alive
Ooh, just one more moment
Ooh, it's irresistible
Ooh, I feel alive
Ooh, just one more moment
Ooh, it's irresistible

Ooh
Ooh, it's irresistible
