

Something About Us

Saint Motel

It might not be the right time
I might not be the right one
But there is something about us I wanna say
'Cause there's something between us anyway

I might not be the right one
It might not be the right time
But there is something about us I've got to do
Some kind of secret I will share with you

I need you more than anything in my life
I want you more than anything in my life
I miss you more than anyone in my life
I love you more than anyone in my life

Ooh

It might not be the right time
I might not be the right one
But there is something about us I gotta say
'Cause there's something between us anyway

I might not be the right one
It might not be the right time
But there's something about us I gotta do
Some kind of secret I will share with you

I need you more than anything in my life
I want you more than anything in my life
I miss you more than anyone in my life
I love you more than anyone in my life

I love you more than anyone in my life
I love you more than anyone in my life
I love you more than anyone in my life
I love you more than anyone in my life

Oo-oh
O-oh
Oo-oh
Ooh

Oo-oh
O-oh
Oo-oh
