

Happy Place

SAINT PHNX

Over the hills and far away
Looking out for a better day
When it seems like there's no escape
Take me to my happy place

If I could wish upon a star
I'd wish that I could heal the scars
And take away every ounce of pain
So hold my hand if you feel scared
I'll build a house where you feel safe
And if you call my name then I'll be there

Over the hills and far away
Looking out for a better day
When it seems like there's no escape
Take me to my happy place

If I could wish upon a star
I'd take us right back to the start
Close my eyes and live those days again
Oh, I would walk a thousand miles
To hear you laugh and see you smile
I wish that things would never have to change

Over the hills and far away
Looking out for a better day
When it seems like there's no escape
Take me to my happy place

In the darkness, leave a light on
Through the storm, I remember what you told us
Keep your head up, standing strong
If you dream and believe, you can find a way back home

Over the hills and far away
Looking out for a better day
When it seems like there's no escape
Take me to my happy place

Over the hills and far away
Looking out for a better day
When it seems like there's no escape
Take me to my happy place

Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Take me to my happy place

Take me to my happy place
