

Mountains

SAINT PHNX

What's that sound hearing all around
I can't take no more
I thought I found a feeling underground
That shook me to my core

I've been hiding for so long
Got a fear it could go wrong
About the time to turn and face my fear

I go to the mountains
I go to the mountains in my soul
Looking for an angel
But these demons take control
And they say
Oh oh oh-oh yeah yeah yeah yeah yeah
Oh oh oh-oh yeah yeah yeah yeah

Shot me down took away the crown
Left me on my own
So here and now sing it out loud
Taking back my throne

I've been hiding for so long
Got a fear it could go wrong
About the time to turn and face my fear

I go to the mountains
I go to the mountains in my soul
Looking for an angel
But these demons take control
And they say
Oh oh oh-oh yeah yeah yeah yeah yeah
Oh oh oh-oh yeah yeah yeah yeah

Ignorance is bliss is what they tell me
So wash away my poison in the rain
Better not forget to live a life without regret
Is all they say

I go to the mountains
I go to the mountains in my soul
Looking for an angel
But these demons take control
And they say
Oh oh oh-oh yeah yeah yeah yeah yeah
Oh oh oh-oh yeah yeah yeah yeah

(I go to the mountains)
