

# ONE

SAINT PHNX

I'll be the shadow in the night  
I'll be the one you can't ignore  
Like a river running wild  
I am a man without a home  
We need to change  
Feel the heat and watch it turn  
Like a shot from a loaded gun  
I'll be the one

I'll take you higher  
I'll always be the one  
Our hearts are burning fire  
I'll be the one, I'll be the one  
Like the shot from a loaded gun  
I'll be the one  
I'll be the one

I'll be the one that breaks you down  
Starts a fever through your bones  
Like the thunder from a storm  
I am a man without a soul  
We need to change  
Feel the heat and watch it turn  
Like a shot from a loaded gun  
I'll be the one

I'll take you higher  
I'll always be the one  
Our hearts are burning fire  
I'll be the one, I'll be the one  
Like the shot from a loaded gun  
I'll be the one  
I'll be the one

When a cold wind blows  
In the dead of night  
When your lungs are bleeding  
Through the struggle and fight  
Are you close to the edge  
Will you take off and fly  
Or live with regret  
Till the day you die

I live the way I wanna be  
Won't change the way  
I wanna be I live the way I wanna be, oh

I'll be the one  
I'll take you higher  
Always be the one  
Our hearts are burning fire  
I'll be the one, I'll be the one  
Like the shot from a loaded gun  
I'll be the one  
I'll be the one  
I'll be the one  
I'll be the one  
I'll be the one
