

Peace

SAINT PHNX

Ever wonder why people run around spending their time
Spending their life, like they wanna be free
Looking for peace
People dropping bombs then they pray to God
Thinking it's fine, thinking it's right
Can do what they please
Looking for peace

'Cause everybody's spinning round the world
And they keep thinking that they're free
Oh, free
But it's all too much to take
Spinning all around on the hurricane
Put down the gun for heaven's sake and see

This little light of mine
Gonna let it shine
'Cause all love costs is free
So give us peace
We ain't got the time

I just wanna be with my family
Sitting right here, spreading that cheer
Round the Christmas tree
Instead, I'm looking for peace

'Cause everybody's spinning round the world
And they keep thinking that they're free
Oh, free
But it's all too much to take
Spinning all around on the hurricane
Put down the gun for heaven's sake and see

This little light of mine
Gonna let it shine
'Cause all love costs is free
So give us peace
We ain't got the time
For peace of mind
'Cause all love costs is free
So give us peace
We ain't got the time

This little light of mine
I'm gonna let it shine
Let it shine, let it shine
Let it shine
This little light of mine
I'm gonna let it shine
Let it shine, let it shine
Let it shine

This little light of mine
I'm gonna let it shine
'Cause all love costs is free
So give us peace
We ain't got the time

For peace of mind
'Cause all love costs is free
So give us peace
We ain't got the time
