

Shake

SAINT PHNX

Hey, na-ne-na-ne-na, na, na-ey
Hey, na-ne-na-ne-na

I get up
Put my hands to the sky
Got the fear in my veins 'cause I've been living a lie
On the run
Always chasing my tongue
I've been dancing with demons, I've been singing this song

Let the beat rock your bones to your feet
Feel vibrations of quake in your soul
Making waves, leave you shaking for days
Give you something that you can't control

Shake, shake shake
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)
Shake, shake shake
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)
Shake, shake, shake

I get high
Almost all of the time
Keep me spinnin' around, I got that look in my eye
On the run
Always chasing my tongue
I've been dancing with demons (I've been singing this song)

Let the beat rock your bones to your feet
Feel vibrations of quake in your soul
Making waves, leave you shaking for days
Give you something that you can't control

Shake, shake shake
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)
Shake, shake shake
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)

Shake, shake, shake
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)

Bless this water, soaked to my skin
Praying for forgiveness, then I do it again
I get up, I get on, I get high
Singin' hey, na-ne-na-ne-na

Shake, shake shake
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)
Shake, shake shake

(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)

(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)
Shake, shake, shake
(Hey, na-ne-na-ne-na, na, na-ey)
(Hey, na-ne-na-ne-na)
Shake, shake, shake
