

Half Awake

Saint Sister

You only love me when you're half awake
Or out of your mind on whatever you take
You only love me when you're half awake
Or out of your mind on whatever you take

Something in the garden stopped me
Why is it so hard to love me?
Something in the garden
Something in the garden (Oh, oh)
Why is it so hard to love me?
Something in the water warned me
Would it be so hard to mourn me?
Something in the water
Something in the water (Oh, oh)
Would it be so hard to mourn me?
Oh-oh, oh-oh
Oh-oh, oh-oh

You only love me when you're half awake
Or out of your mind on whatever you take
You only love me when you're half awake
Or out of your mind on whatever you take (Oh, oh)

Something in the attic's calling
Something in this room is stalling
Something in the attic
Why can't I get at it? (Oh, oh)
Something in the attic's calling
Something in the basement's stirring
Something in my blood is burning
Something in the basement
Why can't I erase it?
Something in the basement's stirring
Something in the basement's stirring
Something in the basement's stirring
Something in the basement's stirring
Something in the basement's stirring
Something in the basement's-
