

## The Beginning

Saint Sister

Why don't you do that again?  
Why don't you do that again?  
You know what I'm talking about, don't you?  
You know what I'm talking about, won't you?

Why don't you stay a little longer?  
I see your friends in the hallway  
Why don't you give me a sign?  
Tell them you're fine

Why don't you offer me one of those cigarettes I'm choking on?  
I don't smoke you know, but it's only polite  
I do what I like, isn't that what you told me?

Ooh, ooh, ooh
