

Inside Out

Saint

(We are five days away from fundamentally transforming the United States of America.) *

Top down, bottom up, inside out (x2)

We've seen the TV headlines
We've seen the outcome score
We've seen it all now
And I can't take no more
Agendas contemplating
There knocking at the door
And like the song it goes
They'll tax us till there's rich no more

Top down, bottom up, inside out (x2)

Progressives at the party
To nudge the end time here
Collapse the system
Honor has no place in here
We, the people, ruling
Lead in Gods own fear
We've took our stand now
You know I think we've made it clear

Top down, bottom up, inside out (x2)

(I'll make our government open and transparent...) **

(We're at war with the most dangerous enemy that has ever faced mankind in his long climb from the swamp to the stars, and it's been said if we lose that war, and in so doing lose this way of freedom of ours, history will record with the greatest astonishment that those who had the most to lose did the least to prevent its happening. Well I think it's time we ask ourselves if we still know the freedoms that were intended for us by the Founding Fathers...If we lose freedom here, there's no place to escape to. This is the last stand on earth.) ****
