

## Calm & Collected

Sainté

Ay, yo Parker, bb  
Ay, look

I wasn't calm and collected, I had to go get it, respect and you know what I need  
2 double O for a crib if you see how I step when I bump into a two brothers with P  
If you don't know what I mean lil prickie, that's slang over here for a brot her with steez  
I drive around in my toosie like Bruce Lee, I'm kickin' in denim just stylis h in scene  
Ay, coordinatin' colours I'm cleanin' a benzo, I'm Lightning McQueen  
Might sign a deal in my flippers, I'm chillin', my brother got tickets to Ch elsea, a seat  
That ain't a place that I'm from, I'll forget if the budget is crazy and eve rything free  
Know that it's me, I'm the scene MVP  
I want my bubbas, my shawty petite  
I send my shawty, she ain't gonna eat cause she's waitin' on me  
I'm drivin' the range I ain't using a key, but you know what I mean  
Outside but I'm lowkey  
With the foresight flex like me

That's why the foresight flex like me  
I'm outside but I'm lowkey  
I don't wanna facetime babe I wanna meet  
In the coupe paid, seats got heat  
True say Sainté got a custom ein  
You playin your shit, but I flex discrete  
That's why the foresight flex like me

Yeah, ay  
I could walk up to your face and just say what I mean to your queen and she' ll know what I mean  
I know you're from somewhere, you've been in the scene  
I know all the games that you play like you stream  
Maximum effort required, you're tired, cause none of your members can ball l ike my team  
My only issue is not getting credit or mentions or stuff that we do in our s leep  
Ay, we'll get there one day, they'll see  
We body all games, let's see  
I got a Prada foreign maybe LG  
I got commitments, so many designers, I'll make sure they sponsor my team  
Watching my fitness, I gotta keep goin' right now, I'm so close to my dreams

Right now I'm so close to my dreams  
Baby I'm tryna get money for team

I was outside of my Jeep  
Tryna get money for 4 and a 3
