

Local MVP

If you wanna see all the bread that I made last year

Compare

Impressed with the moves that I make

Best flex, don't care

Too many man wanna sound like Sainte, that's that, well fair

I've been working on somethin' new, drop a song like this for the man dem there

Give me time, lemme plan, lemme land

Never took no deal but I still made racks

Never change for the game that's lame

Amma take my time Imma still get plaques

Say slow wins race Imma stick to my lane no change

Young Sainte on the map

Baby girl tell your mates that you know it's wrap

Got the addy on text know I'm taking you back

Babe what's good

I'm legit no hood

Range outside with a couple odd goons

But bless, no stress cah you know you're all good

Best interest

Got the Birkin flirting

Price hurting now your ex man stressed

Give a low grading for the look that he gave me hate me more if I put in the F

Effort

I ain't even gotta try

Nice and sweet when I speak in your ear, smooth criminal here, Imma thief in the night

No demon baby girl I'm an angel smooth in a tune no evil in sight

If you wanna see all the bread that I made last year
