Sainté

Yeah
If I see no money then signing right
Chillin' out town I sleep all night
I don't do yet I put stuff in my sprite
Pay by the real
Somebody chit ain't right
Try put me on blast came back
But shawty just see
Cartier chain on me
Shawty got neck full of V
You can tell that this is unique

Shawty you sexy lil chick
Looking for a sissy lil kid but let's talk about me
All I do is think 'bout you put the sign on me cuz I love the way you style
on me
Baby just take my key, let the penthouse change that fleek, girl you vibe on
free
You ain't gon pay for things, tell your friend don't worry cuz you gonna go
buy them teeth
Take a lil snap in the band, let the currency play, that's how you put smile
on me
Maybach truck all black, you can play Cobain, I wanna see go down on me
Name list me the place that I be, I don't show no face but still, I be where
I be
I never say I trap, but the money came big, cuz my boy make games on flee

Always gotta wait on a beam
Full plate I put a chain on a goon that's decent of me
She wanna do a weekend of me, I gotta book few flights while your Ex tryna r
eason on me
Like why you keep screaming at me
Two Chainz when I speak to a giant [?] when I speak
Ain't really been in the scene, I just lil face then lil man you know how I
be

I been outside, rolling
24/7 just rolling
Still count money in the morning
Imma tell a bad B I want motion
I mix my Henny with potion
Imma drive my car like it stolen
Cuz the only reason why my girl keep calling
Imma stretch these racks in the morning

I been outside, rolling
24/7 just rolling
Still count money in the morning
Imma tell a bad B I want motion
I mix my Henny with potion
Imma drive my car like it stolen
Cuz the only reason why my girl keep calling
Imma stretch these racks in the morning

Tell me what you want, baby and you know it's your
Many niggas left the earth but they did leave a mark
For the shit that I do

Whatever you heard about me, baby know that shit not true
Cuz they gon top down on us
It's the first round what's so
We so concrete to the core
Real diamond boy imma shine for sure
Baby what's mine is yours
You can have it all if you lucky
Just make that call I be there

I been outside, rolling
