Ain't got time for no freaky baddies
Only ask if you believe me
Just send a message coz I need your addy
Only hit me when you need me
I been cheffin' up like Gordon Rammey
Course I be messing with you, yo
I just gotta deal with distance and you know
I been working on the road, yo

BB simons on the belt and your feet cold
In your heels I can tell
Red bottoms but your painting up the scene tho
Your Cartier don't need stones

Triple A's for all your friends
Wanna party in the 4 and get a cheque

Just like Kiki, baby do you need me shawty?
I been tryna get it with my crodies shawty
Money coming in they can't afford me shawty
When they try and copy it's appalling shawty
I just need a trophy coz I'm balling
I love my city, how they love me it's important
Tryna outdo my opps like I'm Jordan
Moët for days and chains when I'm touring

As a brudda with a cheque and a balance on double
What you know about greedy?
I got 2 whole plates at my place
No way I got a baddie tryna feed me
Top tier baddies with the rackies tryna meet me
It's on, but you know this isn't easy
Believe me
Money coming in we let it repeat
Each week
