

Right On Time

Sakis Rouvas

I fooled around,
playing with your heart
And yes I miss you now,
don't let me go that way
Stay with me
be my only lover,
for just a day

Castaways upon the sand
Walk the Distance hand in hand
Turn around, turn around again

Don't let me go that way

When I'm lost
I'm searching but there's no one around
I look into your eyes and I'm found
So please hold me for a moment
time will, tell you

When I'm lost
I'm searching but there's no one around
I look into your eyes
right on time, right on time
when I'm lost

Don't change your mind,
you know I want you here
Right by my side,
for now and ever more
Stay with me,
be my only lover
for just a day

Walk the line of love today
walk the line of love and stay
Turn around, turn around again
