

Roxy

Salem Al Fakir

Roxy is the one who gave it to me

I feel a burning sensation
In the region below
It's a strange situation
When I let it all go

They told me time is the healer
Though it's painful and slow
But like a true wheeler-dealer
I got to put on another show

Roxy is the one who gave it to me
That's the way it goes when you wanna be free

Now you can call me a liar
You're better off alone in bed
And if you wanna go higher
Just use your hands instead

Roxy is the one who gave it to me
That's the way it goes when you wanna be free
Oooh
Roxy is the one who gave it to me
That's the way it goes when you wanna be free

Roxy is the one who gave it to me
That's the way it goes when you wanna be free
Roxy is the one who gave it to me
Yeah
That's the way it goes when you wanna be free
Roxy is the one who gave it to me
Roxy, yeah, whoa, whoa
Roxy is the one who gave it to me
She gave it to me, whoa, whoa
That's the way it goes when you wanna be free
