

I took a handful of ibuprofen but it didn't even help
I swear my bones they all feel broken but I never even fell
I keep downing water but I'm still dry
Cause it's coming back out my eyes
And now my dog is howling at me, wishing he could feed himself

I stayed sober
No coke, just cola
But I'm hungover
And if I had to take a guess why

I, I think I had too much to think last night
Thoughts too dark, the sun's too bright
Speakers blown inside my mind like, ahh, oh, oh, woah
Had too much to think last night
The voice inside my head's not nice
Keeps on screaming all the time like, ahh, oh, oh, woah

Oh, oh, oh-oh, woah
Oh, oh, oh-oh, woah
Oh, oh, oh-oh, woah
I think I had too much to think

Lately my brain is feeling foggy like the San Francisco bay
I'm really sorry if you called me and I had nothing to say
I tried eating pizza till I got full
But now I'm emptier than before
I bottle up all my emotions and I pour 'em down the drain

I think I had too much to think last night
Thoughts too dark, the sun's too bright
Speakers blown inside my mind like, ahh, oh, oh, woah
Had too much to think last night
The voice inside my head's not nice
Keeps on screaming all the time like, ahh, oh, oh, woah

Oh, oh, oh-oh, woah (I stayed sober)
Oh, oh, oh-oh, woah (No coke, just cola)
Oh, oh, oh-oh, woah (But I'm hungover)
I think I had too much to think
Oh, oh, oh-oh, woah (I stayed sober)
Oh, oh, oh-oh, woah (No shots, just soda)
Oh, oh, oh-oh, woah (But I'm hungover)
I think I had too much to think
