

# Coke & Mentos

Salem Ilese

You take me back to the third grade  
Holding hands on a playdate, oh oh oh  
Tongues tied like a shoelace  
Heart beats like a horse race  
Almost failed out of chem class  
Only learned all the fun facts, oh oh oh  
Making wine in the school lab  
Getting high on the black pens

You remind me of an experiment  
And I don't mean  
Volcanoes or lava lamps, no

When we touch it's Coke and Mentos  
Blowing up until we let go  
When we touch it's Coke and Mentos  
Blowing up until we let go  
Blowing up, up, up, but we still won't let go

Bottled up my emotions  
Till you twisted me open, oh oh oh  
Took a sip of my ocean  
Started dipping your toes in

Instantly reacting to your skin  
One day it'll hurt to let you in  
It's not the fall that kills you in the end  
But we're sticking the landing

You remind me of an experiment  
And I don't mean  
Volcanoes or lava lamps, no

When we touch it's Coke and Mentos  
Blowing up until we let go  
When we touch it's Coke and Mentos  
Blowing up until we let go  
Blowing up up up but we still won't let go

La-la-la-la-la-la-la-la, la-la-la-la  
Still won't let go  
La-la-la-la-la-la-la-la, la-la-la-la  
Oh, oh-oh, oh-oh-oh  
La-la-la-la-la-la-la-la, la-la-la-la  
Oh, oh-oh, oh-oh-oh  
Blowing up up up but we still won't let go
