

Strongly Worded Letter

Salem Ilese

La-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la, la-la-la-la-la-la

To whom it may concern, you ripped my heart out and let it burn
Took it out and you put it in the ground
Like seven-feet down and you fed it to the worms
You said we were forever, then you said the same thing to Heather
Now I'm at your front door, trying not to get mad
Begging for my shit back, what a shit bag

I tried boxing out the anger, that didn't work
I tried cutting up your sweater, that made it worse
Nothing leaves me feeling better... (better, better)

Than a strongly worded letter
La-la-la-la-la-la, la-la-la-la-la-la
Here's a strongly worded letter
La-la-la-la-la-la, la-la-la-la-la-la

I hope this finds you well, somewhere in the deepest depths of hell
I was gonna keep this to myself, but something in me felt compelled
When I thought of how you didn't really like my dog
And you separated all of the recycling wrong
And you always took the last piece of pizza
What a diva, I don't need ya

I tried boxing out the anger, that didn't work
I tried cutting up your sweater, that made it worse
Nothing leaves me feeling better... (better, better)

Than a strongly worded letter
La-la-la-la-la-la, la-la-la-la-la-la
Here's a strongly worded letter
La-la-la-la-la-la, la-la-la-la-la-la

PS. I'm the best you'll never get back
You left and I guess that I'll respect that
Don't hold your breath, if you're waiting for a text back
The best revenge, yeah it's dripping from my pen cap

La-la-la-la-la-la
Sincerely
La-la-la-la-la-la
Not yours
La-la-la-la-la-la
XO
