Time Machine

Salem Ilese

You'd end it with goodbye
I wouldn't even sleep that night
Wouldn't even turn out a light

You'd kiss me one last time
Over in a blink of an eye
Robbing me of my supply

You'd tell me to leave, but I wouldn't go
I'm begging you please, don't give up on hope
Tears on your sleeve, and then I would

Even a time machine
Wouldn't save me
I'd do it all again
Oh yeah you knew it
That I'd do it all again

Even with a time machine
You couldn't shake me
I'd do it all again
Though I'd like to pretend
I wouldn't do it,
I know I'd do it all again

Oh
I know I'd do it all again
Oh
I know I'd do it all again

You'd take me on our drive
Tell me everything's alright
I'd hate you for being so nice

It'd hurt when we'd arrive
You could see me taking my time
Hoping that you'd come inside

You'd tell me to leave, but I wouldn't go
I'm begging you please, don't give up on hope
Tears on your sleeve, and then I would

Even a time machine
Wouldn't save me
I'd do it all again
Oh yeah you knew it
That I'd do it all again

Even with a time machine
You couldn't shake me
I'd do it all again
Though I'd like to pretend
I wouldn't do it,
I know I'd do it all again

Oh
I know I'd do it all again

Oh
I know I'd do it all again

The highs were high and the lows were low
Woulda ridden that ride, never let you go
The highs were high and the lows were so low

The highs were high and the lows were low
Woulda ridden that ride, never let you go
The highs were high and the lows were so low

Even with a time machine
You couldn't shake me
I'd do it all again
Though I'd like to pretend
I wouldn't do it,
I know I'd do it all again

Oh
I know I'd do it all again
Oh
I know I'd do it all again
