

# Nothing

Saliva

I drink the night away  
But I still see your face  
I can close my eyes  
But it won't erase  
The memories  
Of you next to me  
You're the ghost of yesterday  
That's a part of me

Day after day it's all the same  
It's like I'm going insane

Cause there's nothing I can do to get me over you  
There's nothing (nothing)  
There's nothing and no hope  
Don't think that I'm not trying to get you off my mind  
There's nothing (nothing)  
There's nothing

I've been seeing someone else  
But I wish that she was you  
Her touch doesn't take me to places like it was with you

You got my soul and won't let go  
My whole life so sick and stall

Cause there's nothing I can do to get me over you  
There's nothing (nothing)  
There's nothing and no hope  
Don't think that I'm not trying to get you off my mind  
There's nothing (nothing)  
There's nothing  
There's nothing

There's nothing I can do to get me over you  
There's nothing (nothing)  
There's nothing and no hope  
Don't think that I'm not trying to get you off my mind  
There's nothing (nothing)  
There's nothing

Yeaaaah there's nothing (nothing)  
There's nothing

Don't think I've been trying to chase away the memories  
(Nothing) There's nothing  
(There's nothing) There's nothing  
(There's nothing) There's nothing  
There's nothing
