

## Ascension

Sally Oldfield

Spirit of fire, Spirit of fire,  
Khiat I am.  
Khiat I am!  
Dry as moon dust, dry as  
moon dust

Spirit move on the water,  
Dry as moon dust, dry as  
moon dust  
Spirit move on the water  
Khiat I am  
Borne on the wind  
My bird of fire, my bird  
of fire  
My bird of fire,  
My bird of fire!  
Ascending, ascending -  
How many stars are in  
the sky?
