Spirit of fire, Spirit of fire, Khiat I am.
Khiat I am!
Dry as moon dust, dry as moon dust

Spirit move on the water,
Dry as moon dust, dry as
moon dust
Spirit move on the water
Khiat I am
Borne on the wind
My bird of fire, my bird
of fire
My bird of fire,
My bird of fire!
Ascending, ascending How many stars are in
the sky?
