

# Cake

Salvatore Ganacci

Whoa oh, when you gonna come around?  
Whoa oh, I'mma make you come around, yeah  
Some like rivers and some like rain  
Some like fire and some like flame  
Some like heaven and some like hell  
But we all like cake  
But we all like cake  
But we all like cake

Whoa oh, I'mma make you come around, yeah  
Some like rivers and some like rain  
Some like fire and some like flame  
Some like heaven and some like hell
