Salvatore Ganacci

Ooh, shalala  
Uh

Tastes better than it smells, I've been living in hotels  
Drugs broke the scale protected from the L's  
Never gonna fail, Soviet millionaire  
Hello like Adele

Got one life on Earth to dream  
Two spoons of protein  
Одха from a маразин  
Got one, got one, got, got, got, got  
Got one life on Earth to dream  
Two spoons of protein  
Одха from a маразин  
Got one, got one, got, got, got, got

I got Scooby sniffin' in my baggie  
Granny on a Xanny  
Used to fuck my nanny  
My real mama  
Calls me sugar daddy  
New day, new baddie  
No slim, just fatties (uh, uh, uh, uh)

Single like a dollar bill  
Double cup, let me refill  
Grass is greener around my hills  
Sparkling against some steel  
Do-do-domination skills  
Sponsored by protein  
You think 'bout me when you would hear  
White Kanye and Russian Kim

(Uh)

Hello like Adele, okay, hello

Keep the bass bumping hard

(Uh)

Hello like Adele

She wanna pa, un-pa  
Pa, pa, un-pa  
She wanna pa-pa-pa, un-pa  
Pa, pa, un-pa

On a train, on a plane, on a boat  
When I go, bitch, get my load  
Grab my coat, then I will explode  
On the road, oh, she a side show  
(Uh)  
Ride my dick  
Listen were, you so thirsty take a sip  
Wonder Woman in my bed  
Hide there with signs overslept  
If I hit it, it's a hit  
These have got the Need for Speed  
Grass turning to weed  
To weed
