Can't sniff no coke
Can't smoke no dope
You know what I do
Can't sniff no coke
Can't smoke no dope
You know what I do
Can't sniff no coke
Can't smoke no dope
You know what I do
Can't sniff no coke
Can't smoke no dope
You know what I do
Can't sniff no coke
Can't smoke no dope
You know what I do
Can't sniff no coke
Can't smoke no dope
You know what I do

Thank you
Gotta be all

Give it to the motherfucker

Can't sniff no coke

Can't sniff no coke
Can't smoke no dope
You know what I do

Give it to the motherfucker

Thank you
