

Needs No Progress, I Will Lie

salvia palth

One day I'll die and somebody will take my insides
I'll walk around just a corpse, I'll make no sound

Someone catch me, I will lie (No one, no one)
Someone catch me, I will lie (No one, no one)
Needs no progress, I will lie

And some silhouette of somebody's pet that rose again
Doesn't matter to me yet, doesn't make me upset

Someone catch me, I will lie (No one, no one)
Someone catch me, I will lie (No one, no one)
(No one, no one)
Needs no progress, I will lie (No one, no one)
Someone catch me, I will lie (No one, no one)
Needs no progress, I will lie (No one, no one)
Someone catch me, I will lie (No one, no one)
Needs no progress, I will lie (No one, no one)
Someone catch me, I will lie (No one, no one)
