

You know it's time for some action  
Which means dancing all night long!  
So slip your shoes on, get a move on  
Gonna wiggle that booty tonight  
Feel how the beat takes control of your feet  
We will dance the night away  
Salty sweat pearls  
When you ravo, ravo with me

Faster, faster!  
Rollercoaster!  
Shockwave thunder!  
Faster, faster!  
This is the rollercoaster

How the floor is on fire, baby  
Roast it with your feet  
Lightning strikes  
And the rhythm shakes your bones!  
How my heart is electric  
Sending waves across the room  
Salty sweat pearls  
When you ravo, ravo with me

Faster, faster!  
Rollercoaster!  
Shockwave thunder!  
Faster, faster!  
This is the rollercoaster
